AGES	2 ENCLOSURES (NO. & TYPE)	
REMARKS		
	This is UNEVALUATED Information	
	columns of motor vehicles, rocket launchers and infantry were seen on the Neu-Glienicke-Gadew road. An undetermined number of soldiers with approximately 100 motor vehicles, armored scout cars, AT guns and AA guns were assembled in the Wehe-Berg area, 3 km southeast of Gadew. At about 1600, AA guns fired toward Rossew. Low-level attacks against the assembly asea by 2 MiG-15s were observed. Between 1700 and 2300, individual motor vehicles and columns continually passed through Gadew. They came from the direction of Neu-Blienicke and proceeded toward Dossow.	25X′ 25X′ 25X′

	guns were also observed. At 0700, on 14 October, a column of ammunition trucks	25X ²
	passed through Gadow and proceeded toward Dossow. Units with tanks, artillery and AT guns assembled in the area west of Dossow-Strasse Wittstock-Herssprung. At about 1030, artillery started firing from the direction of Papenbruck southwest of Wittstock. Subsequently,	25 X 1
•	6 tanks and approximately 150 soldiers attacked toward Papenbruck. Dossow residents stated that a bridge was built across the Dosse River during the night of 13 October. Units with tanks had	25 X 1
	bivouacked in the area west of Dossow. During the night on 15 October, shipments which came from the direction of Wittstock continually went toward Neuruppin.
